

Happy New Year!

In your role as a graduate, parent and cadet influencer, we are delighted to inform you of an important new initiative the Association of Graduates is launching on Jan. 3, 2022.

Thanks to the generous support of our members, parents and cadets through the years, we are now able to offer AOG membership – *at no cost* – to all 51,000+ living and future graduates of USAFA. Membership For All Graduates is replacing our current paid-membership model that has been in effect since the AOG's founding in 1968.

By engaging with every graduate of this great institution, the AOG and the Air Force Academy Foundation seek to strengthen the connectivity of the Long Blue Line and rally continued support for USAFA and the Cadet Wing.

You play a vital role in helping to connect USAFA graduates, parents and supporters, and we are reaching out to you for help. In the coming days, we would like to encourage you to reach out to your classmates, friends and constituents to spread the exciting news about Membership for All Graduates. Our hope is that personal messages from you will help encourage non-members to opt in and begin enjoying their new AOG benefits.

Enclosed, you will find information you can use to inform emails, social media posts and phone calls as you accomplish this important outreach effort.

Let us know if you have questions or concerns, and thanks for all you do to strengthen our Long Blue Line!

Sincerely,

Mark Hille, Class of 1997
President, Association of Graduates and Air Force Academy Foundation
